SUBJECT : Presidential Libraries Program

REFERENCE : HN 70-11, Agency Participation in Presidential Libraries Program

1. Attached is a recently completed study on the Presidential Libraries Program. I agree with the conclusions and have approved the recommendations.

2. As a first step, please appoint a senior official, preferably one reporting directly to you, as your representative for the Presidential Libraries Program. He will be provided guidance and assistance by the Chief, Support Services Staff/DDS until such time as the National Archives and Records Service issues a call for contributions to the Nixon Library. At that point the Director will appoint a senior Agency official who will be charged with the overall organization and management of the Nixon Library Project.

3. Once appointed your representative should do the following:

a. Establish a central point within your Directorate or Independent Office to maintain a listing of documents sent to the White House or National Security Council.

b. Review the DCI guidelines (Tab C to attached Staff Study) and your Directorate's previous guidelines for the Johnson Library and provide recommendations through you to me for updating guidelines for the Nixon Library.
